

# SCT

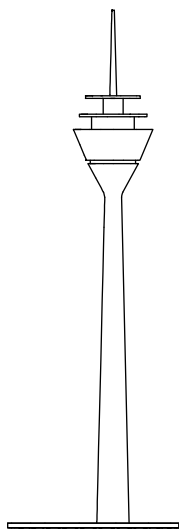

SCT (Secretaría de Comunicaciones y Transportes – Ministry of Communications and Transportation), is comprised of four wooden sculptures shaped like telecommunications towers that reference the abandonment of human infrastructure, and suggest a possible second use for whole typological classes after the objects stop serving a purpose.

Design: NEL colectivo.

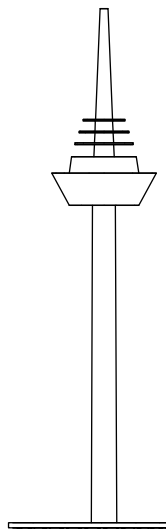

Year: 2008

Participants: Ricardo Casas, Alejandro Castro, Héctor Esrawe, Emiliano Godoy, Cecilia León de la Barra

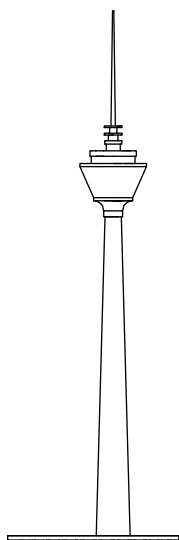

Material: Poplar.

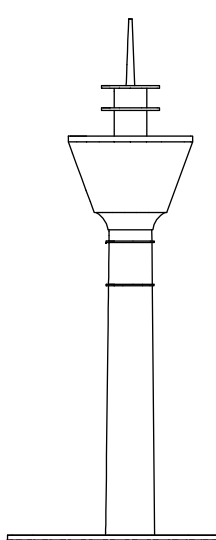

SCT 1  
34 x 102 x 34 cms

SCT 3  
30 x 97 x 30 cms

SCT 2  
34 x 105 x 34 cms

SCT 4  
40 x 97 x 40 cms
